Winning over 100 team and individual titles at national cheerleading competitions all around the USA, the championship cheerleading and gymnastics organization, Victory Sports, wants to invite your school team to take part in our custom cheerleading camps! The length of your camp and the material taught is customized by our collegiate and professional adult staff to cater to each squad's individual needs!

American Cheerpower recognizes Victory Sports for its instruction in stunting, tumbling, jumping, cheering, dancing, and teambuilding by naming us the 3 time coaching staff of the year. Each camp will cover all of these skills and more depending on the camp package you chose. Our packages range any where from one to five days with an optional lock-in. There is a TV and DVD Player for use during break time, an eating area, and much, much more!!!

**SAFETY IS OUR NUMBER ONE PRIORITY!** The camps are held indoors in our fully air conditioned 21,000 square foot facility. There is no need to walk in the hot summer sun from dorm rooms to facilities. We have it all right here! We are fully equipped with a 6,000 square foot spring floor, an 800 square foot tumble pit, crash mats, trampolines, spotting belts, indoor restrooms, and mirrors.

**PRIVACY AND PERSONAL ATTENTION VERY IMPORTANT!** Daily awards are presented to recognize the hard work of individual team members. Each team member will receive an award at the end of the camp. On the last day of camp the squad will perform a choreographed routine including stunting, tumbling, jumping, and dancing for their family and friends with an awards ceremony immediately following. Victory Sports wants every team that attends our camps to leave feeling confident in the skills and materials they have learned and ready to start the school year! We provide a notebook of all of the chants, cheers, and teambuilding activities, so the sponsor has them for easy reference through the season. A CD of the dance and routine music will be provided. There is no requirement for matching uniforms which will eliminate the unnecessary stress and cost of purchasing outfits before camp!

Enclosed is additional information that will help you in making the right decision to select Victory Sports as your summer cheerleading camp. You may contact Vicki Dill by phone at (281) 240-2437 or email [vickidill8@aol.com](mailto:vickidill8@aol.com) for camp questions or scheduling information.

Sincerely,

Vicki Dill
